

## **Please tell us about your care at The Royal Bournemouth and Christchurch Hospitals NHS Foundation Trust**

### **The CQC's inspection will be starting from 20 October 2015 at:**

- Christchurch Hospital
- Royal Bournemouth Hospital

The Care Quality Commission (CQC) is the independent health and adult social care regulator. Our job is to check whether hospitals, care homes, GPs, dentists and services in your home are meeting national standards.

We do this by inspecting services and publishing our findings, helping people to make choices about the care they receive.

We will look at the quality and safety of the care provided based on the things that matter to people. We will look at whether the service is:

- Safe
- Effective
- Caring
- Responsive to people's needs
- Well-led.

We are inspecting The Royal Bournemouth and Christchurch Hospitals NHS Foundation Trust starting from 20 October 2015. Before an inspection we consider a lot of information to help us to decide what we need to look at during the inspection.

Your experiences of care, and those of your family and friends, will help us to do this. We want to hear what you think.

Click [here](#) to tell us about your experiences of care and find out more about the inspection.

Thank you for your help,

**Sir Mike Richards**  
Chief Inspector of Hospitals  
Care Quality Commission
