

# Welcome to the Neighbourhood

Apart from Burton and Hurn, Christchurch doesn't have Parish Councils. Many years ago, to fill that gap, Residents Associations were formed.

We cover an area from Iford to St Catherine's Hill and across to the Hospital.

We have sister organizations that cover other parts of Christchurch. We lobby Christchurch Council, Dorset Council, The Police, The Hospital Trustees and anybody else that can help keep Christchurch pleasant

**People From Your Neighbourhood**

*Representing Residents Like You*

Do you wonder what goes on in our Council's Offices? Our newsletter will keep you informed

## *Our Free News Service*

If you use e-mail you can join our free monthly news service that already goes to over 1,500 local homes.

We restrict ourselves to local issues, police alerts, etc. and will never send you spam or divulge your details to a third party

## *Protecting That Place We Call Home*

Over the years we have acted with other organizations, such as Hurn Parish Council, and with local Ward Councillors to protect our environment.

When a European Directive was cited as an excuse to fell 20,000 trees on St Catherine's Hill we mobilized local support and opinion and put a stop to that venture.

We helped to create the Management Group that now manages the trees and their environment on The Hill and we have a representative on that committee that speaks for local residents.

When Dorset Council decided to build a waste processing plant at Hurn we

joined forces with Hurn and Ferndown and made them see sense. The plans were dropped and they admitted that their scheme would have produced an expensive white elephant.

Those were big issues. Most of the time by talking regularly to Council Officers and our Ward Councillors we head off trouble before an issue becomes too serious.

All of this only works because we have a large membership and are known to reflect majority opinion

Membership costs just £1 per household per year. We do hope you will feel motivated to join us.

### ***Don't use e-mail?***

*No problem.*

*For members that don't use e-mail we deliver a local Newsletter in spring and autumn.*
