## Dorset household recycling centres - Winter opening hours

Dorset's household recycling centres (HRCs) are about to move into their new Winter opening hours.

From 1 October 2016 to 31 March 2017, the Dorset HRCs will open at 10am and close at 4pm daily. They will be closed on Christmas Day, Boxing Day and New Year's Day.

As fewer residents use the county's 11 HRCs during the colder half of the year, the Dorset Waste Partnership reduce operational hours in order to save money for essential public services.
