## Recycle for Dorset News: Easter Special

### No change to Easter collection dates

Your rubbish, recycling and garden waste collections will continue as normal over the Easter period, including on Good Friday and Easter Monday.

You can [check your next collection dates online](#).

### Eggstra recycling this Easter

Around 80 million chocolate eggs are sold in the UK at Easter, generating 4,370 tonnes of card and 160 tonnes of foil.

Remember, if you use the [Recycle for Dorset service](#), all cardboard packaging can be put in your recycling bin. Aluminium foil can also be taken to some local [mini recycling centres](#).

For more Easter recycling ideas, visit the [Recycle for Dorset blog](#).

### Charity to provide new bulky waste service

From Tuesday 7 April, our new bulky waste collection service will be provided by local charity, [Dorset Reclaim](#).

They will collect big items like sofas, TVs and beds, which they supply to families on modest incomes.

If items are in good condition and can be reused, they may be collected for free.
